Dated, Bangalore, the 8th May 1923.

D.2104

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

Adverting to your letter No.1140/M.F.429-15-17 dated 8th September 1922 to the address of the guardian of the Jaghirdar of Yelandur in the matter of the management of Sri Biligiri Rangaswami temple at Biligiri-rangan Hills in the Yelandur Jaghir, I have the honor to submit herewith letter No.224 dated 2nd April 1923 received from the guardian of the Jaghirdar with its enclosures in original (to be kindly returned when done with) furnishing the required information called for in the letter referred to above.

As suggested in the Muzrai Secretary's letter, the account for the year 1921-22 has been submitted (flag K) and further accounts have been promised to be submitted regularly at the end of every year. The account cannot be stated to be complete as the recoveries out of decretal amount and the expenditure therefrom have not been included in the statement.

With regard to the question of appointment of Dharmadarsis to supervise the affairs of the institution, it is stated that it is difficult to find the right sort of persons who could undertake the work of looking into the affairs of the temple on the Hills and that the system of Dharmadarsis will only create friction and endless trouble. In these circumstances it seems unnecessary to appoint Dharmadarsis for the institution.

As regards the decretal amount, it is stated that the sum recover-

recovered was utilized for the repairs of the tank which is calcul to benefit both the temple village of Gowdahalli and the Jaghir village of Vadagere. Since this improvement is for the benefit of both the temple and the Jaghir villages, it is but fair that the cost of repairs should be proportionately shared by the temple and Jagnir funds -- according to the respective atchkat below the tank. The amount thus becoming due to the temple will have to be recredited to the temple funds.

Thus a complete account taking into credit all sums due to the temple may be ordered to be submitted regularly at the end of every year specifically mentioning the exact balance yet due out of the decree -- amount.

I have the honor to be,

S i r,

Your most obedient servant,

K Chandy

Muzrai Commissioner.

PROCEEDINGS OF THE GOVERNMENT OF H.H.
THE MAHARAJA OF MYSORE

R E A D:-

Correspondence ending with letter No.C.592 of 1922-23 dated 9th May 1923 from the Muzrai Commissioner in Mysore, submitting letter No.224 dated 2nd April 1923 received from the guardian of the Jahgirdar of Yelandur, submitting a report of the management of the affairs of the Sri Ranganatha Swami temple on the Biligiri Rangan Hills in the Jahgir.

ORDER No. 52-4 Executive dated 16-7-23
Mur 427-22-9

The Sri Ranganathaswami temple of the Biligiri Rangan Hills in the Yelandur Jahgir is a Muzrai Institution. Complaints have from time to time been received about the mismanagement of the temple and a representation was also made in the R.A. that the management of the temple might be taken over by Government and necessary convenience afforded to pilgrims resorting to the temple, and that a set of Dharmadarsis might be appointed to the Institution.

2. The guardian of the present Jahgirdar, who was addressed in the matter, states that there is suitable accommodation for the pilgrims visiting the temple, that it is difficult to find the right sort of persons for being appointed as Dharmadarsis of the temple on the Hills and that the system of Dharmadarsis would only create friction and trouble. The Muzrai Commissioner considers the appointment of

of Dharmadarsis for the institution unnecessary in the circumstances of the case; and Government agree with him in this view.

3. It has been brought to notice that, during the time of the late Sir P.N. Krishnamurthi, K.C.I.E., a sum of Rs.22,700/- had been lent out from the funds of this temple, that out of this Rs.12,500/- has been recovered so far leaving a balance of Rs.10,200/- to be still recovered by instalments of Rs.500/- per annum, that the amount till now recovered had not been credited to the funds of the temple, but held in deposit in the Jahgir Treasury with a view to utilize it for some large works connected with the temple and that it is ~~required~~ to adjust the expenditure incurred over the repairs of the Inam Gowdahalli tank and the renovation of the temple cars etc. With regard to the repairs of the Gowdahalli tank ~~is reported that~~ both the temple village of Gowdahalli and the Jahgir village of Vadagere will be benefitted by the work the Muzrai Commissioner is of opinion that its cost should be proportionately borne by the temple and the Jahgir, according to the respective atchkat below the tank. Government agree with him in this view and direct that necessary action may be taken accordingly in the matter. It is noted that the Jahgirdar has agreed to invest for the benefit of the institution any surplus that may remain out of the loan recoveries after debiting to the temple ~~account~~ the proportionate charges of the repairs of the tank as well as the cost of the repairs to the temple cars etc.

4. The Jahgirdar having agreed to submit an annual report regarding the management of the temple including

including a statement of income and expenditure of the Institution, the Muzrai Commissioner is requested to obtain the same before the end of July every year and forward it to Government with his remarks.
